You are welcome to visit the website of Voivodship in Olsztyn. This is a special guide for the website <http://www.olsztyn.uw.gov.pl/>

The central part of the page contains daily news. We report on the actions undertaken by the management of the voivodship, the ceremonies and the meetings in which they take part in, and other most important events.

We would also like to draw your attention to the Topic of the Month where you may be acquainted with the most important issue of a month.

In Main Menu you can find the information concerning:

- the Voivod, Vice-Voivod, General Manager, Departments as well as Delegacies of the Warmińsko-Mazurskie Voivodship,
- the structure of the Office of Warmińsko-Mazurskie Voivodship and the units subordinate to the Voivod,
- complaints, conclusions as well as legal basis.

In the menu called Short Cut there is a list of phones, the information about the job offers for those who would like to work for the Office of Warmińsko-Mazurskie Voivodship, passport issues and the guide under the banner - What And Where To Take Care Of.

In order to adjust the website to your needs and improve the use of the website we introduced the icons in the bottom part of the page. They refer to, among other things: a list of phones, passport and civil issues (for foreigners), the press news and the box that you can send a document that will be certified with the electronic sign.

From the main page you can go to the BIP page. It is the Bulletin of the Public Information of Warmińsko-Mazurskie Voivodship.

We recommend you a link What And Where Take Care Of - the guidebook that may help you find some essential and content-related information of every field.

We ask you to share with us your comments about the content of the website <http://www.olsztyn.uw.gov.pl>
